

**Electronic Filing Only Election**

File by March 1, if company chooses to file electronically only

Re: \_\_\_\_\_ (“this company”)

Dear Sir or Madam:

By this letter, this company gives notice that it elects to: (1) file electronically its annual statement for the year ended December 31, \_\_\_\_ (immediately preceding year), quarterly statements for the periods ending March 31, June 30, and September 30, \_\_\_\_ (current year), and certain required supplemental materials (as described in the annual statement filing instructions of the Missouri Department of Insurance); and (2) not file a hard copy (paper version) of such statements and materials. This company either has made (annual statement) or will make (quarterly statements and supplemental materials) electronic filings with the National Association of Insurance Commissioners (“NAIC”) in the format(s) required by and in accordance with the rule(s) of the NAIC.

This company acknowledges that its election has no effect on the filing fee(s) due and payable to the Missouri Department of Insurance (“MDI”). This company’s election only to file electronically acknowledges that filing, or failing to file, with the NAIC has the same legal consequence(s) as filing, or failing to file, with the MDI.

Instead of filing hard copy of the statements and materials, this company will file only the Affidavit of Filing and Financial Statement Attestation. Enclosed for filing is such affidavit for the annual statement. This company will file such affidavit for each quarterly statement with the MDI at the same time as the quarterly statement to which the affidavit relates is filed electronically with the NAIC.

Respectfully submitted,

President
